

## SAFETY DATA SHEET

SDS No: Masking tape (All)-EN

Date: Version 1

---

### SECTION I IDENTIFICATION

---

**Product name:** Masking tape

**Color:** All (Cream & various color)

**Manufacturer's Name:** CHUNG HWA PULP CORPORATION (GUANYIN)

**Address:** No. 16, Guorui Rd., Guanyin Dist., Taoyuan City 328, TAIWAN, R.O.C.

**SDS Information Telephone:** +886-3-272-9888

**Product Information Telephone:** +886-3-272-9888

**Product Information Fax:** +886-3-272-9889

**Contact Person:** Spark Chung

**Email Address:** sh.chung@yfy.com

**Website:** www.yfy.com ; www.chp.com.tw

---

### SECTION II HAZARD(S) IDENTIFICATION

---

**Primary Routes of Exposure** None expected

**Signs and Symptoms of Overexposure** This product is not a hazardous material, but may release a nuisance dust in converting processes. Eye, nose and throat irritation may occur with prolonged exposure to high dust concentrations.

**SUBCHRONIC AND CHRONIC HEALTH EFFECTS** No applicable information was found concerning any potential health effects resulting from subchronic or chronic exposure to the product.

**Carcinogenicity** None.

**Aggravated Medical** None known

**Note:** This product is not expected to present health hazards under normal use.

#### ACUTE HAZARDS

**Primary Routes of Exposure** None expected

|                     |   |
|---------------------|---|
| <b>Eye Contact</b>  | This product in dust form may cause eye irritation.   |
| <b>Skin Contact</b> | Prolonged contact with this product does not cause skin irritation. This product is not expected to be hazardous through dermal absorption and no cases of skin sensitization have been reported. |
| <b>Ingestion</b>    | This product is not expected to be hazardous by ingestion. If ingested in large amounts, nausea, vomiting and diarrhea are possible.  |
| <b>Inhalation</b>   | This product is not expected to present an inhalation hazard.   |

---

### **SECTION III COMPOSITION/INFORMATION ON INGREDIENTS**

---

#### **EXPOSURE LIMITS:**

| <b><u>Ingredients</u></b> | <b><u>CAS No.</u></b> | <b><u>Wt. Percent</u></b> |
|---------------------------|-----------------------|---------------------------|
| Paper                     | 65996-61-4            | 44-48%                    |
| Rubber                    | 9006-04-6             | 20-25%                    |
| Resin                     | 64742-16-1            | 20-25%                    |
| Additive                  | 68988-69-2            | 1-2%                      |

### **SECTION IV FIRST AID**

|                           |  |
|---------------------------|--|
| <b>After skin Contact</b> | No need anticipated  |
| <b>After eye Contact</b>  | Flush eyes with water for at least 15 minutes. Consult a physician if irritation persists. |
| <b>After ingestion</b>    | No need anticipated  |
| <b>After inhalation</b>   | No need anticipated  |

---

### **SECTION V FIRE AND EXPLOSION HAZARD DATA**

---

|  |  |
|--|--|
| <b>Suitable Extinguishing Media</b>            | Agents approved for Class A hazard (e.g. halogenated agent, foam, steam) or water fog.                                 |
| <b>Combustion products and resulting gases</b> | Wear self-contained breathing apparatus (pressure-demand MSHA/NIOSH approved (or equivalent) and full protective gear. |
| <b>Special Protective Equipment</b>            | None required  |

---

**SECTION VI ACCIDENTAL RELEASE MEASURES**

---

|                                 |                |
|---------------------------------|----------------|
| <b>Personal Protection</b>      | Not applicable |
| <b>Environmental Protection</b> | Not applicable |
| <b>Methods for cleaning up</b>  | Not applicable |

---

**SECTION VII HANDLING AND STORAGE INFORMATION**

---

|                             |                                       |
|-----------------------------|---------------------------------------|
| <b>Handling Precautions</b> | Avoid the collision and collapse      |
| <b>Storage Precautions</b>  | Keep in cool, dry ventilated storage. |

---

**SECTION VIII EXPOSURE CONTROLS / PERSONAL PROTECTION**

---

|                               |               |
|-------------------------------|---------------|
| <b>Respiration Protection</b> | None required |
| <b>Hand Protection</b>        | None required |
| <b>Eye Protection</b>         | None required |
| <b>Skin Protection</b>        | None required |

---

**SECTION IX PHYSICAL/CHEMICAL PROPERTIES**

---

|                                    |                |                              |                |
|------------------------------------|----------------|------------------------------|----------------|
| <b>Appearance</b>                  | Cream          | <b>Auto flammability</b>     | Not applicable |
| <b>Color</b>                       | Cream          | <b>Explosive properties</b>  | Not applicable |
| <b>Odour</b>                       | Light odor     | <b>Oxidizing properties</b>  | Not applicable |
| <b>PH</b>                          | Not applicable | <b>Vapor pressure</b>        | Not applicable |
| <b>Boiling point/boiling range</b> | Not applicable | <b>Relative density</b>      | Not applicable |
| <b>Melting point/melting range</b> | Not applicable | <b>Solubility in water</b>   | None           |
| <b>Flash point</b>                 | Not applicable | <b>Partition coefficient</b> | Not applicable |

**Flammability**                      Avoid contact with **Others**                      None  
an ignition source

---

## **SECTION X    CHEMICAL STABILITY AND REACTIVITY**

---

**Conditions to Avoid**            Not applicable  
**Material to Avoid**              Not applicable  
**Hazardous reactions**        Not applicable

---

## **SECTION XI   TOXICOLOGICAL INFORMATION**

---

**Inhalation**                        Not applicable  
**Ingestion**                        Not applicable  
**Skin contact**                    Not applicable  
**Eye contact**                    Not applicable  
**Carcinogenicity**                Not applicable  
**Other**                                Not applicable

---

## **SECTION XII   ECOLOGICAL INFORMATION**

---

**Biodegradability**                No data  
**Bioaccumulative**                No data  
**Aquatic toxicity**                No data  
**Others**                                No data

---

## **SECTION XIII   DISPOSAL CONSIDERATIONS**

---

**Methods of disposal**            Landfill disposal must be in accordance with applicable  
Federal, State, or Local Regulations.  
**Dangers in disposal**            None required. However, use of protective  
gloves/clothing is good industrial practice.

---

## **SECTION XIV   Transportation Information**

---

The DOT TRANSPORT INFORMATION MAY VARY WITH THE CONTAINER AND MODE OF SHIPMENT.

|                         |     |
|-------------------------|-----|
| <b>UN number</b>        | N/A |
| <b>Hazard class</b>     | N/A |
| <b>Packing group</b>    | N/A |
| <b>Air transport</b>    | N/A |
| <b>Sea transport</b>    | N/A |
| <b>Inland transport</b> | N/A |

---

## **SECTION XV REGULATORY INFORMATION**

---

**Chemical safety assessment**      No data

---

## **SECTION XVI OTHER INFORMATION**

---

### **SDS REVISION SUMMARY:**

Version 1

First Version: 2022/07/08

Latest Version: 2022/07/08

Format Changes:

1. Version 1 2022/07/08

Preparer: Sheng-Hsuan Chung

Title: Senior Specialist
